**Discipline Policy:**

Collier County Parks & Recreation Division is committed to providing an environment that fosters the physical and emotional well being of all program participants. Discipline Actions are limited to: verbal warning, individual counseling, quiet time, redirecting, parent contact, written Discipline Action Report, counseling by supervisor, suspension from program, and termination from program. All program sites are drug free and violence free. We expect all staff members, program participants, and families to be respectful of others and the property of others. Most discipline issues are minor and are easily resolved by the staff, the child, and parents. However, serious infractions may result in immediate suspension or termination from the program. Examples include but aren't limited to intentionally threatening/hurting others, leaving group without authorization, stealing, causing significant damage to property, or drug/weapon possession. Our discipline actions are meant to provide opportunities for children to learn responsibility and concern for others.

**Photo Release Policy:**

I give Collier County government permission to publish in print, electronic, or video format the likeness or image of my child. I release all claims against the county with respect to copyright ownership and publication including any claim for compensation related to the use of the materials.

*\*General Guidelines: It is recommended that a release be obtained when photographing or videotaping a minor (under 18). Parent or guardian signatures are required; signatures of minors are not sufficient. When images are published, the county will take cautionary steps to provide minimum identifying information and will not use specific street or mailing addresses, e-mail addresses, or phone numbers. Signed release forms are not needed when subjects are in public places, such as fairgrounds or parks. Photographs or videotaping in private or public schools or youth camps must be done only with school or camp permission and with signed release forms from a parent or guardian of each child. Release forms should be included in school or camp registration materials. It is the responsibility of the photographer or videographer to obtain signed release forms and maintain records.
